# TRUE NORTH for 6th-8th Graders

## Helping Kids Find Their Way to Healthy Connections

### VISION BOARD FULL-DAY WORKSHOP

#### Finding Your True North — Vision Board Workshop

Who am I, and what do I stand for? As young people start to ask these questions, this workshop provides a great opportunity for reflecting on these important questions through guided discussions and activities on thoughts, values, emotions, and how they influence individual behavior.

Participants create their own personal vision board based on their insights. This workshop provides a hands-on opportunity for exploring goals and developing a stronger sense of self.

**TRUE NORTH** consists of small group break-out sessions which include activities, facilitated discussions, mini-lessons relevant to current experiences, and **conversation with peers** that provide participants with the opportunity to learn and share while having fun. 6th-8th graders will be grouped together. **TRUE NORTH** is facilitated by trained professionals and **includes engaging discussions, lunch, snacks, stress-relieving yoga, and a vision board kit!**

**SATURDAY, FEBRUARY 10, 2024**

**“After attending True North, I now feel like I can...”**

- “... recognize my personal growth and self worth”
- “... navigate middle school better and have better friendships”
- “... know what my different values are, know what I enjoy/love”
- “... relate to others because we were able to make connections that I didn't think others have”
