

CORPORATE PARTNERS IN CARING

*Make an investment in
the community **with us.***

Why Partner with **TriCity Family Services?**

TriCity Family Services is a leader in the provision of quality, affordable, family-centered counseling and innovative mental health services.

Since 1967, **TriCity Family Services** has served Central and Southern Kane County with programs and services that promote individual and family wellness. We are committed to strengthening people and building community by making our programs and services accessible to anyone who needs them.

By operating under a sliding fee scale and offering scholarships for our group programs, we ensure that no one is ever denied our services based on an inability to pay.

Linking your corporate philanthropy with our mission is a dynamic partnership that is a truly powerful investment that can make a difference in our local community.

With this commitment, you will be promoted and acknowledged as a lead partner of our agency.

You will set the example for other corporate partners and begin a year in close relationship with **TriCity Family Services**, our wonderful staff and our inspiring mission. We look forward to working with you.
